

Marcia Coulson, President of Eldon James – Awarded the 2017 Manufacturing Women of the Year, presented by Women in Manufacturing.

FOR IMMEDIATE RELEASE

DENVER, COLORADO – April 13, 2017 – The 2017 Colorado Manufacturing Awards celebrates Innovation in Manufacturing. Awards recognized outstanding manufactures in 10 categories with over 30 nominees and well as the first-year award for 2017 Manufacturing Women of the Year. Women in Manufacturing presented the new award and the event was hosted by CompanyWeek and Manufacturers Edge, among other sponsors.

The Colorado Manufacturing Woman of the Year award is to recognize an individual woman who has distinguished herself in a manufacturing organization, her profession, and her community.

The recipient of the Colorado Manufacturing Woman of the Year award epitomizes the values of growing manufacturing opportunities and represents the best of who we are as women and as leaders. Marcia Coulson, President of Eldon James, was honored as the recipient of the 2017 Manufacturing Woman of the Year amongst four well deserving finalists. The winners of this year's awards were nominated by peers and selected by a three-judge panel.

About the Eldon James Corporation

Eldon James, celebrating 30 years of innovation, is a woman owned, Colorado based manufacturer with an international reach in the medical, biomedical, pharmaceutical, food, beverage, industrial and automotive industries. A leading U.S. manufacturer of plastic tubing and fittings, Eldon James has developed innovations that are all PVC free and BPA free.

SUPPORT. PROMOTE. INSPIRE.

Women in Manufacturing™ is a more than 700-member-strong national association dedicated to supporting, promoting and inspiring women who are pursuing or have chosen a career in the manufacturing industry. This group encourages the engagement of women who want to share perspectives, gain cutting-edge manufacturing information, improve leadership and communication skills, participate in sponsoring programs and network with industry peers.
