

Marcia Coulson, President of Eldon James – Frost & Sullivan’s Manufacturing Leadership Visionary Award Winner

FOR IMMEDIATE RELEASE

Carlsbad, Calif. - June 4, 2015 – Marcia Coulson, President of Eldon James was honored as a recipient of the 2015 Frost & Sullivan’s Manufacturing Visionary Leadership award. Winners are chosen by a panel of expert judges for results that enabled the manufacturers to set themselves apart from their competitors and that have delivered clear and compelling value, return on investment, and other tangible outcomes.

Winners of the Visionary Leadership Award have demonstrated, through their ideas, values, and achievements that they have emerged as leaders in their organizations and markets. They have transformed their companies and institutions and made important contributions to their industries by challenging assumptions, achieving results, and empowering others.

About the Eldon James Corporation

Eldon James is a woman owned, Colorado based manufacturer with an international reach in the medical, biomedical, pharmaceutical, food, beverage, industrial and automotive industries. A leading U.S. manufacturer of plastic tubing and fittings, Eldon James has developed innovations that are all PVC free and BPA free.

About Frost & Sullivan

Frost & Sullivan, the Growth Partnership Company, works in collaboration with clients to leverage visionary innovation that addresses the global challenges and related growth opportunities that will make or break today's market participants.

Our “Growth Partnership” supports clients by addressing these opportunities and incorporating two key elements driving visionary innovation: The Integrated Value Proposition and The Partnership Infrastructure.
