## ELDON JAMES CELEBRATES 30 YEARS OF BUSINESS

**DENVER, CO, September 20, 2017**– Eldon James Corporation has reached a milestone, celebrating 30 years of business. Eldon James is the leader in PVC-free tubing, connectors and assemblies.

From our humble beginnings in 1987, in a small garage in Loveland Colorado, to an innovative, state-of-the-art facility in Denver, Colorado. We owe our success to our loyal customers, valued distributors and to our amazing dedicated employees.

On September 20, 2017, all employees celebrated with a cowboy BBQ cookout.

*“It gives me great pride in joining Eldon James employees and friends, in celebrating our 30th anniversary. We have come a long way since the business was started in 1987 and we are very excited about our future as the company continues to thrive,” said President, Marcia Coulson*

During the past 30 years Eldon James has built a tradition of excellence in providing its customers with innovative PVC-free tubing, connectors and assemblies for a variety of industries, including life-science, biomedical, pharmaceutical, automotive, general industrial, food and beverage. We continue to work closely with our customers and vendors to help identify and develop PVC-free products to meet unique challenges in the ever-changing marketplace.

Looking ahead, Eldon James continues to innovate and introduce new and unique tube connection solutions, tubing formulations and assembly configurations.
